Young Leader Principal Membership is open to individuals 35 years of age and under and who would traditionally qualify for full Principal Membership, which includes individuals of a real estate entity (individual, firm or corporation that owns, manages, leases or acts as a brokerage agent) within the commercial real estate and/or related industry. However, if the individual is already a full Principal Member, he/she is ineligible to apply for this membership. As a Young Leader Principal Member, you receive local benefits only and will not be recognized as a member of BOMA International or BOMA California.

* A percentage of your dues payment may be deductible on your federal income tax as an ordinary and necessary business expense. BOMA Orange County recommends contacting your tax advisor.
